Phenomenology of Mind (French in parantheses):

By Jean Hyppolite

Organise the following French philosophy in Sirohi's phenomenology of mind (imagine women at all times in a encyclopaedia to know them but in the following three structures of sense, and logic of sense even absolute, we understand that it is a form of talking to paintings, like imagine a walk in the house his way and interpret more along these lines.)

I Sense (logique du sens)

Como per la fragmentitete un sens, que es la fenomenologicitie du sens.

II. Appearance (Apparance)

Le appearance du un femme.

III. Absolute (absolute)
